

## FEEDBACK ON DISPATCH-CPR MODULE

### Issues/ Concerns with Variables

- ▶ Dispatch operation room is in the Dubai police command and control .
- ▶ As we are a government department and our medical dispatch is part of the Dubai police , we are waiting for approval of commander in chief of Dubai police .

### Issues/ Concerns with Data Collection

- ▶ Internally we met with medical dispatch manager and his team and explained the second phase and we are under Process of implementing dispatch- assisted CPR within a month .
- ▶ Our department is preparing internal policies and procedures.
- ▶ We want to schedule our staff for next dispatch course but we want to confirm that its going to be in English.

### Issues/ Concerns with Data Entry/ e-PAROS Platform

- ▶ Waiting for full approval and then training.

## Questions Regarding Full Implementation of PAROS 2

- Our questions could come up after we start data entry and after full implementation of second phase.
