# Election of Subcommittee

---

- Each regional chapter will elect an executive committee with one representative from each country.
  - The executive committee from each regional chapter may send a representative to attend the Asian Society of Emergency Medicine Board meetings, subject to the Board's approval.
- 

- Individual membership is open to registered doctors, nurses, paramedical personnel, and administrators with an interest in pre-hospital emergency care or emergency medical services.
  - Members must have good standing and must not have been suspended or have their license revoked by the authorising body in the country they practiced in.
-
