

**1ST NATIONAL ANNUAL SCIENTIFIC MEETING
ON EMERGENCY MEDICINE;
NEW WAVE OF EMERGENCY MEDICINE IN
INDONESIA**

in conjunction with
THE 1ST INTERNATIONAL CONFERENCE ON EMERGENCY MEDICINE INDONESIA

- **Malang** is the second largest city in East Java province, Indonesia.
- During the period of Dutch colonization, it was a popular destination for European residents.
- The city is famous for its cool air and the surrounding country regions.
- As a centre of tourism, Malang has various places of interest which can be classified into local, regional, national and international standards, including traditional dance performances such as Tari Topeng (Mask Dance), Jaran Pegon, Tari Beskalan (Beskalan Dance), etc.
