

Improving Outcomes from Pre-hospital and Emergency Care across the Asia-Pacific

## STUDY PROPOSAL REQUEST FORM

Please complete the form and email to PAROS secretariat at [patricia.tay@scri.cris.sg](mailto:patricia.tay@scri.cris.sg) by the stipulated date. You will be notified in due time on whether your study has been accepted for presentation.

Reminder: Please check the list of existing proposals and publications from

<http://www.scri.edu.sg/crn/pan-asian-resuscitation-outcomes-study-paros-clinical-research-network-crn/paros-publications/> to avoid duplications of proposals. Abstract and manuscript must be sent to PAROS chairs for approval before submission for presentation/publication.

<b>1. BASIC INFORMATION</b>		
Name: Patrick Joseph G. Tiglao		Designation: PAROS EXCO
Email: <a href="mailto:patrick.tiglao@gmail.com">patrick.tiglao@gmail.com</a>		Country: Philippines
<b>2. TYPE OF REQUEST (Please select one)</b>		
<input checked="" type="checkbox"/> New Study Proposal (initial)	<input type="checkbox"/> Secondary Analyses	<input type="checkbox"/> Explanatory Analyses
<b>3. STUDY TITLE</b>		
The Asian EMS personnel preparedness in response to OHCA during the COVID 19 Pandemic		
<b>4. ABSTRACT OF STUDY PROPOSAL</b>		
<b>In no more than 350 words, describe the study under the given headings below.</b>		
<b>Objectives</b> To determine the preparedness of EMS Personnel in response to OHCA during the COVID 19 Pandemic. Specific Objectives: 1. To determine the knowledge of EMS personnel in basic and advance life support in responding to OHCA during the COVID 19 pandemic. 2. To determine the knowledge of EMS personnel in the proper safety and precautionary measures in responding OHCA during the COVID 19 pandemic. 2. To determine the attitudes of EMS personnel in their response to OHCA during the COVID 19 pandemic		
<b>Methodology</b> (To include sample size, settings, inclusion & exclusion criteria, etc. For secondary & explanatory ) Survey questionnaire distributed to the participating countries in Asia Snowball sampling Study Period: March 2022 – June 2022 Inclusion: EMS personnel including the EMTs, Paramedics and transport physicians who were actively responding to OHCA during the COVID 19 Pandemic Exclusion: EMS personnel not involved in responding to OHCA during the COVID 19 pandemic.		
<b>Significance of the study</b> (e.g. provide brief description on how the study can improve current This study is beneficial in determining the preparedness of the EMS personnel responding to OHCA during the pandemic. This will assess the needs and improvement needed by the EMS personnel. Also, the outcomes of this study will be the basis for augmenting the training, physical and emotional needs of the EMS personnel during times of pandemic.

## GUIDELINES FOR PREPARING NEW PROPOSAL PRESENTATION

If your study proposal has been accepted for presentation, you will be notified by the Secretariat. Please prepare your presentation slides in accordance to the following instructions. Each presenter is given 10 minutes to present (8min presentation + 2min Q&A).

### General Instructions

1. Presentation must include the following sections:
  - a. Introduction
  - b. Objectives/Hypotheses
  - c. Methodology
  - d. Significance
  
2. Limit total number of slides to not more than 12. The following are the recommended number of slides for each section.
  - a. Introduction – maximum of 2 slides
  - b. Objectives/Hypotheses – maximum of 2 slides
  - c. Methodology – maximum of 6 slides
  - d. Significance – maximum of 2 slides
  
3. Try to use big fonts and contrasting colours to increase readability e.g.
  - a. Black/dark blue font against white background
  - b. White/yellow font against black background
  - c. Black font against blue background
