

2ND ASIAN PEDIATRICS INFLAMMATORY BOWEL DISEASE (PIBD) RESEARCH NETWORK GROUP MEETING, 4 MAY 2018

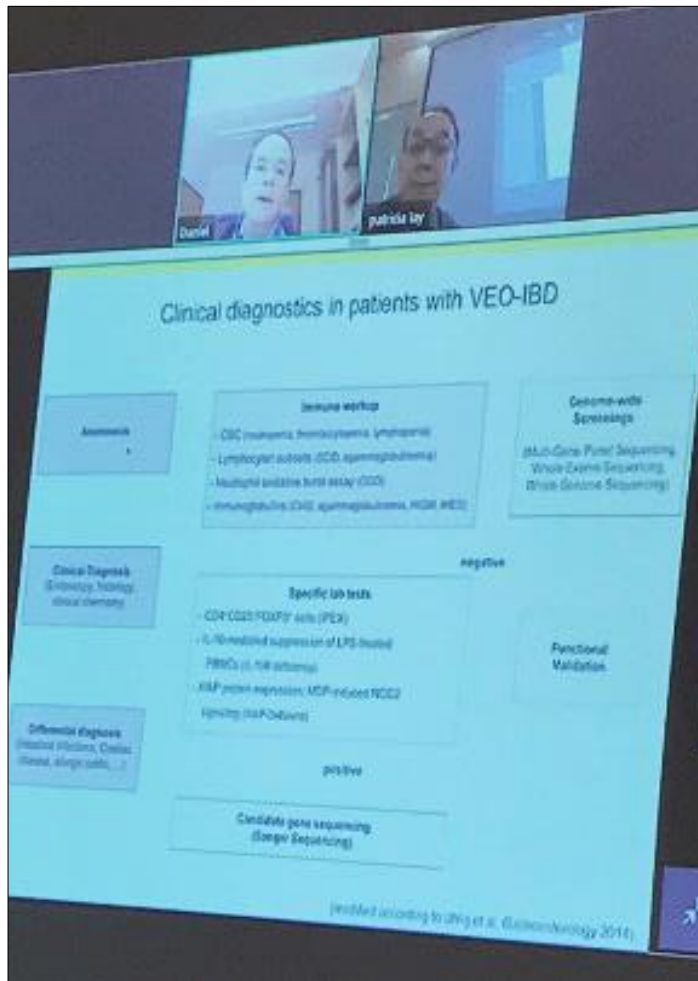

Asian PIBD Research Network 2nd group meeting in University Malaya Medical Centre, Kuala Lumpur, Malaysia

The Asian PIBD Research Network held their 2nd annual meeting on 4th May 2018 at the Department of Paediatrics, University Malaya Medical Centre, Kuala Lumpur, Malaysia.

At the meeting, the data capture set for the PIBD registry was finalised. The team also discuss about the potential publications that may be derived from the first data set collected.

A web conference with Dr Daniel Koltratz from Munich Children's Hospital was organised during the meeting to discuss collaboration between the 2 teams for his study, "Genetic study of infantile-onset IBD".

Ending off, Prof Lee Way Seah from Malaysia presented his proposal, "Environmental risk factors for PIBD", which received a lot of interest from the team.
