## Out-of-Hospital Cardiac Arrest (OHCA) Registry Philippine College of Emergency Medicine (PCEM)

Name: *Faith Joan C. Mesa-Gaerlan, MD, FPCEM, MS*  
Designation/Institution/Department: *St. Luke's Medical Center,  
Quezon City, Department of Emergency Medicine*  
Country: *PHILIPPINES*

## PHILIPPINE COLLEGE OF EMERGENCY MEDICINE

The national academic body composed of dedicated professional emergency medicine physicians oriented towards quality service; research and training in emergency care, working together towards global recognition.

## MISSION

- \* To achieve national recognition as a distinct specialty in medicine.
- \* To promote emergency care to its highest standard nationwide.
- \* To regulate the practice and training of emergency medicine.
- \* To participate in disaster planning and pre-hospital care.
- \* To innovate emergency medicine practice through research and continuing medical education

## RESEARCH AND ACADEMICS COMMITTEE

- \* **Accredits and evaluates postgraduate training courses in Emergency Medicine**
- \* **Liaise with international partners for special courses**
  - \* **WINFOCUS (Basic Ultrasound Life Support Course)**
- \* **Conducts protocol research workshops for residents in training**
- \* **Publishes the Philippine Journal of Emergency Medicine**

## RESEARCH ON RESUSCITATION AND PRE-HOSPITAL CARE

## RESEARCH ON QUALITY MANAGEMENT & DISASTER MEDICINE

## SAVE STUDY (2013)

\* A **resuscitation success rate** of **17.27%** has been recorded in this study. All 19 cases successfully resuscitated were admitted to the hospital but one case opted to be transferred to another hospital. The **30-day survival rate** was **15.2%**. However, majority of cases (82.72%) died in the emergency department. No emergency PCI or therapeutic hypothermia was performed.

## COLLABORATIVE RESEARCH PROJECT TO ESTABLISH THE OHCA REGISTRY IN THE PHILIPPINES

In Partnership with PAN-ASIAN RESUSCITATION OUTCOMES – CLINICAL RESEARCH NETWORK

## ORIENTATION-TRAINING WORKSHOP
