www.emsindia.in

subroto@highwayrescue.org

Countries with Developed or Developing EMS in Asia

- Singapore
- Thailand
- Malaysia
- Taiwan
- Japan
- China
- South Korea
- Cambodia
- India
- Sri Lanka
- Bangladesh
- Pakistan
- Bahrain
- Dubai (UAE)
- Turkey

Aim

- To provide
 - right care
 - right time
 - right place
 - right provider
- Quality of care
- Cost of care
- Private participation (in countries with socio-economic conditions like India)

Necessity for EMS Council

- Standardisation
 - Hand holding
 - Sharing
 - Protocols
 - Rules and Regulations
 - Academics
 - Journals
 - **Sensitising Governments** – An organisational stand will help to sensitise reluctant governments
- All these before unregulated proliferation of EMS gets out of hand

Our experience

- India
 - Gujarat
 - EMS Act
 - Protocols and standards
 - Influencing other governments
 - Transparency
 - PPP
- Sri Lanka
- Bangladesh
- Bhutan

Proposed Organisational Structure

(in consultation with Dr Anantharaman)

Executive
Council

Advisory
Board

Secretariat

Workshops &
Meetings

Research &
Publications

Curriculum

Quality

Accreditation

Protocols

Funding

National
Chapter Co-
ordination

Hand Holding
for National
Chapters

Collaboration

Executive Council

WITH VOTING RIGHTS

- One member from each country present here
 - Founding members – permanent
- As new countries become members, presidents of their respective EMS Councils

WITHOUT VOTING RIGHTS

- Big EMS providers – National and Multi-national
- EMS and EM experts (with approval from the EC)

LIFELINE WISHES

- Formalise the Council here
- Elect Prof Ong as the Founding President
- His office or Lifeline Foundation could be the Permanent Secretariat
- Create a website – www.emsasia.org
- Form rules and by rules and circulate through the internet
- Create sub-committees
- Have the 1st formal meeting at New Delhi in November on the sidelines of EMCON2012 to approve the rules and by rules
- Annual plans

Thank You
for the
Time
and the
Opportunity
